AI Generated Content on Fansly

July 8, 2026

Photorealistic AI-generated content is not allowed on Fansly. Additionally, labeling content as AI-generated does not make photorealistic or lifelike AI content permissible.

While you can apply as a non-photorealistic virtual entity on Fansly, you still need to register using your real legal information for verification purposes.

For virtual creators, you would:

1. Register using your actual legal identity
2. Complete the standard verification process with your real government-issued ID
3. Operate your account under your virtual persona once approved

Note: If your content includes co-performers, even virtual (voice only), you'll need to verify them as co-performers.

Remember that all virtual representations must adhere to our Terms of Service, specifically:

"You agree that you will only use Fansly for purposes expressly permitted and contemplated by these Terms. You may not use Fansly for any other purposes without

Terms of Service

Last Update: July 21, 2026, Effective July 21, 2026

Select Media LLC, a Maryland limited liability company (“Company”, “we”, “us”, or “our”), owns and operates www.fansly.com and all affiliated websites and mobile versions (“Fansly”), a social media website and application service that allows creators to upload photos and videos to their profile (each, a “Creator”), set prices for access to that content, and pay to access that content (each purchaser, a “Fan”). The terms “you”, “your”, or “User” refer to all end users, whether Creators or Fans.

Please read these Terms of Service (“Terms”), which is a legal contract governing your use of Fansly, including any content, functionality, and services offered on or through Fansly. Please pay special attention to the following sections: disclaimer of warranties; limitations of liability; releases; class action waiver, mandatory arbitration, and disputes. **You acknowledge and understand that, by agreeing to these Terms, you are agreeing to resolve most disputes through individual arbitration instead of court trials and class actions. These Terms contain a jury trial waiver and a waiver of any and all rights to proceed in class, collective, private attorney general, representative, or consolidated action in arbitration or litigation to the fullest extent permitted by applicable law.** By registering with and using Fansly, you hereby accept and agree to be bound by and abide by these Terms. If you do not want to agree to these Terms or you do not meet or comply with its provisions, you must not access or use Fansly.

We may change these Terms on one or more occasions. Changes will become effective on the “last update” date stated at the top of this page. Changes will not apply to continuing disputes or to disputes arising out of (or relating to) events happening before the posted changes. While the Company will try to notify you when the Company changes these Terms, the Company does not assume an obligation to do so, and it is your responsibility to frequently check this page to review the most current version. By continuing to use Fansly after the Company posts changes to these Terms, you agree to the revised Terms. If you do not agree to the revised Terms, your exclusive remedy is to stop accessing Fansly.

1. **General Provisions**
    a. No Minors: Fansly contains adult oriented content and is not intended for minors. In order to access Fansly, you must be: (i) at least eighteen (18) years old; and (ii) have reached the age of majority where you reside. If you do not meet these age requirements, you must not access Fansly and must leave now. The Company forbids all persons who do not meet these age requirements from accessing Fansly.
